9	13	309PH7	4219	20	First	6/2/2011	6/1/2011

Synchronization

Simple ship and receive automatically generate pick tickets and receivers

Or

Enter Pick Tickets and Receivers ahead of time and schedule work.

Reconciliation

Scan and reconcile all or portions of the inventory.

Supports wall to wall and Cycle counting

Semi automatic reconciliation allow user directed automatic inventory adjustments

Bar code

Hardware.

- Motorola MT20270
- Janam XM66
- Zebra Barcode Printers

Legacy:

- Symbol Phasers
- Text interface

Easy to use Windows Mobile

- On screen keyboard or use keypad
- Scan or key data
- Review and edit data entered.
- Drop down lists
- Pop up calendar
- Automatic synchronization when cradled
- Multiple users
